

## An End to End Journey that Limits Exposure & Risk

In the workplace of the next normal, strategic deployment of digital technology is critical for optimising daily employee experiences and home to home journey. Using employee-facing digital applications for home transit, check-in and check-out experience, social interaction, leisure and communication, on site food ordering and luggage valet service is the smart way to limit infection exposure risks while enhancing personal convenience.

Sodexo offers a variation of MyWay app that can help you make it easier for your employees to take care of business while taking care of themselves. Our MyWay app are is user-friendly, can be used on mobile and stationary devices and integrate seamlessly into your workplace culture. Our experts can help you improve performance to increase employee engagement and satisfaction.

*Empower your people to do more in the workplace with less risk of infection.*

**With our digital apps, you can set up loyalty rewards programmes** for your employees and receive actionable feedback for continuous improvement initiatives.
